AN OASIS OF

Casa Contenta... nestled on a gentle slope overlooking the bay of Cabo San Lucas and Land's End where the Pacific ocean melds with the Sea of Cortez. Unique, stylish and sexy, we are more than a typical Bed & Breakfast, but more a unique combination of small luxury hotel and private residence. An attractive alternative to large resort hotels and impersonal service, Casa Contenta is your home away from home where privacy is paramount, new friendships are born and life resurfaces as a gift often forgotten until reawakened by the sun, sea and natural beauty of the desert.

This B&B is a singularly unique, 10,000 square foot, ultra-deluxe home, where luxury and splendor are daily indulgences of the mind and spirit. Here, stress and tension melt away in a natural desert sanctuary where you can step outside life's hustle and replenish your soul with a little of life's elixir.

STAY WITH FRIENDS & FAMILY

With almost 10,000 square feet of living space and decks, and only 5 rooms, groups of 10-12 have found peace and quiet, solitude and space to commune, celebrate and reunite at Casa Contenta. The perfect place for a meeting, family reunion, wedding ceremony, corporate retreat, week of intense yoga or golf - we specialize in groups. Group meetings or dinners in our large "great room" or on the deck under the stars end a perfect day.

Book four rooms and you'll have the 'run of the house' - no other guests, just you and your group of friends, family or business associates. Chef services, musicians or other services can be arranged on your behalf.

YOUR WEDDING IN PARADISE

Los Cabos offers the perfect romantic setting for simple marriage ceremonies or the more elaborate ones. In fact, your honeymoon begins the moment you land.

Casa Contenta's magnificent rooftop deck and palapa offer unparalleled 360-degree views of the world: the ocean, mountains, Lands' End and picture perfect sunsets - from which to tie the knot.

We work together with professional wedding planners that organize every aspect of your wedding, whether it's a small wedding or a grander affair.

TRANQUILITY

Wake up to the aroma of a delicious South of the Border style breakfast - served each morning between 9:00am and 10:00am. Choose between a most enjoyable full breakfast or lighter, continental fare.

Cool off with a dip in the pool or work on your tan on one of many padded chaise lounges with umbrellas at the ready to bring the shade to you.

Venture up a winding staircase to our rooftop terrace for unbroken views of the beauty of Cabo San Lucas and the tip of the Baja peninsula. Sunsets here are spectacular, the palapa cover lets just the right amount of sunlight through and provides the perfect place for an impromptu social hour. With over 10,000 square feet of living space, you'll find Casa Contenta provides the privacy and intimacy that only a small luxury B&B can offer.

STAY & PLAY GOLF PACKAGES

Ours is the only "serious" Stay & Play discount package offered in the entire Los Cabos Region. Save 50% off the standard rates on your greens fees and enjoy further discounts off room rates when you book your next golf vacation with Casa Contenta.
